

LAWSON MATCH PLAY GUIDELINES

Players must have an established Handicap.

Handicaps will be updated each round.

Single knockout.

A match will be based on handicap at 100%.

Example: 12 handicapper playing a
16 handicapper - the 16 will receive
4 strokes.

A stroke per handicap holes
1 to 4 as indicated on Score card.

(To a maximum of 18 strokes when played at Country Meadows Golf Course.)

In Match Play the game is played by holes. (Number of holes Won)

A match being 18 holes.

The lower net strokes of the hole being the winner of the hole.

Scoring Match Play - Plus / Minus / Even.

The reckoning of holes is kept by the terms: so many "Holes Up"
or "All Square"
and so many "To Play"

A player is "Dormie" when he is down as many holes as there are holes
remaining to be played.

A hole is Halved if each player holes out in the same number of net strokes.

A player may concede a Putt or a Hole or a Match at anytime.

If at the end of 18 holes the match is Tied, Players will go to the Putting Green,
select a spot 20 feet from the 1st hole and continue Putting hole by hole until
the Tie is broken.

A player unable to play the match on the date scheduled and cannot arrange to
have the match played prior to the next round will forfeit the match.

Any ruling in a Match that cannot be dealt with by the players will go to the Rules
Committee, Their Ruling to be Final.

NOTE: Score Card **are to be entered** into the Computer.

Match Play Players are not eligible for Low Gross or Low Net.

On conceded holes a player must enter most likely score for that hole
no need to putt out.
