

Country Meadows

Senior Men's Golf Club

In 1995 after Harry and Susan Hogler opened Country Meadows Golf Club. Bill Sides who manned the pro shop suggested to a few regulars that they start a Senior Men's Club. 18 Founding members attended the first meeting

The original 18 members were soon joined by many others; 35 started the season in 1996, as all original 18 had not played together previously, it was agreed that we would only play random foursomes. Many more wanted to join but insisted they would only play with their friends; their applications were turned down. As a club we ruled this out as it would defeat our planned camaraderie, fellowship, knowledge and insight into our new partners in golf. The club kept growing to 100, then 150 and now about 170 members.

As well as playing golf on Wednesdays from March to October, we have donated to several Charities. The primary charity we have supported in prostate cancer research through the BC Cancer Society. Over the years we have donated over \$1,850,000 to Prostate Cancer research.

The Club is open to men over the age of 55.

Application forms available on this Website can be dropped off at the Pro-shop.
